Chennai, India

OBJECTIVE

Seeking a challenging role as a Full Stack Developer where I can utilize my programming skills and experience to contribute to innovative projects and drive team success.

EDUCATION

- Panimalar Engineering College Chennai City Campus** 2022-2026
Bachelors of Information Technology
◦ CGPA - 9.45 Chennai, India
- St. Joseph's Matriculation Higher Secondary School** 2022
HSC
◦ Grade: 92 Chennai, India
- St. Joseph's Matriculation Higher Secondary School** 2020
SSLC
◦ Grade: 91.6 Chennai, India

PROJECTS

- Clinic Care – Smart IV Fluid Monitor** April 2025
Tools: Arduino, Node.js, MongoDB, HC-05, HX711, Solenoid Valve
◦ Built a smart IV monitoring system using Arduino and HX711 to detect fluid levels and control flow with a solenoid valve.
◦ Transmitted real-time data via Bluetooth to a Node.js backend and displayed it on a MERN dashboard with alerts.
- Avatar Generator** August 2024
Tools: JavaScript, CSS
◦ Developed an interactive avatar generator using JavaScript.
◦ Event handling, CSS styling, and animation.
- Banking Application(Internship)** April 2024
Tools: Java
◦ Designed and developed a banking application in Java, achieving a robust and scalable financial management system.
◦ Developed a secure login and authentication component for protecting sensitive customer information and preventing unauthorized access.

TECHNICAL SKILLS

- Programming Languages:** Python, Core Java, JavaScript, PHP
- Web Technologies:** HTML, CSS, React, Node JS, Express JS, Node JS
- Database Systems:** MongoDB, SQL
- Data Science & Machine Learning:** Numpy, Pandas, Scipy, Matplotlib

SOFT SKILLS

- Teamwork and Collaboration
- Adaptability
- Problem-Solving
- Time Management

FIELDS OF INTEREST

- Web Development
- Cyber Security
- Cloud Computing
- Social Sciences and Humanities

CERTIFICATIONS

- AWS Academy Graduate - **Naan Mudhalvan** (March 2025)
- Journey to cloud - **IBM Certification** (Sep 2024)
- Figma Training - **Infosys** (Aug 2024)
- Cybersecurity - **NASSCOM** (Aug 2024)
- Intro to Cybersecurity - **CISCO** (Jul 2024)
- Career Edge - **TCS iON** (Jun 2024)
- CSS/JS/PHP FullStack - **Udemy** (Mar 2024)
- Foundations of Cybersecurity - **Coursera** (Mar 2024)
- Hackerrank Skill Tests - SQL, Python, JS, CSS, React
